Award-winning, self-taught motion designer and director with 8 years of experience. I've worked across design, animation, and direction, leading projects from concept to execution in both 2D and 3D. Currently based in Recife-PE, working remotely as a motion designer at NOO (Rio de Janeiro-RJ).

Key Projects

Lembrete (NOO) | 2022

Direction, Design, and Animation

Directed and developed the visual identity and animation for this short film, blending 3D elements to craft a cohesive narrative. The project won Silver at the LAD Awards 2023.

StoneCamp 23 (StoneCo) | 2023

Visual identity, 3D, motion design, event visuals.

Designed and animated the 3D look and visuals for StoneCo's major annual leadership event. The project was awarded Bronze at the LAD Awards 2024 for its integrated graphics.

Compasso (Plau) | 2023

Motion Design, visual identity.

Collaborated on concept creation and design for this everyday-use typeface campaign. Developed a frame-by-frame scanned animation, blending street photography and commercial print visuals to highlight the font's approachability.

1º and 2º Festival CineOrfão de Cinema Sem Pais | 2018

Founder, Art Director, and Lead Designer

Co-created and directed two editions of this grassroots film festival, showcasing Brazilian outsider films rejected by traditional circuits. Led the festival's visual identity and promotional video design, contributing to its rapid popularity and expansion to two annual exhibitions.
